HAPPY NEW YEAR!!!! I hope your holidays were filled with family, love and laughter. Our wish for your family for the new year is that you remain healthy and filled with the Lord's love and blessings.

We begin our third nine weeks today. Report cards will be going home on Thursday with your child. We will have our awards ceremony next Tuesday at 9:00 am. We will have a full day of school on that day with conferences during the day and after school. Please check the schedule of times and meet with your child's teacher if necessary. Thank you to everyone for all that you do and continue to do for our school. We are so happy to have parents who are involved with their children's education. Your help and support is greatly appreciated. Thank you

God of this New Year, we are walking into mystery. We face the future, not knowing what the days or months will bring to us or how we will respond. Be love in us as we journey. May we welcome all who come our way. Deepen our faith to see all of life through Your eyes. Fill us with hope and an abiding trust that you dwell in us amidst all our joys and sorrows. Thank you for the treasure of our faith life. Thank you for the gift of being able to rise each day with the assurance of Your walking through the day with us. God of this New Year, we praise you. AMEN
