

## Lenten Memorial Project 2015

Dear Redemptorist family,

With the season of Lent here, the student body is going to host its Lenten Memorial Project again this year. It is an effort to lift up our living and deceased relatives, friends, and special intentions in prayer and to memorialize them in a special way.

The Lenten Memorial Project works as follows. Redemptorist will place the memorialized person's name or special intention in our Memorial Book. The Memorial Book is a permanent addition to our school and will be brought to our school Lenten Masses. The seven school Masses that we will celebrate during Lent will be offered for the names and intentions of those in the Memorial Book. The Masses will begin on Ash Wednesday. The memorial will also include a small wooden cross which will have the memorialized person's name or intention attached. The crosses will be hung on special larger crosses displayed in the cafeteria for all of the students to see on a daily basis. We will pray for these people and intentions in our everyday prayers as well as the Masses offered. In order to defray costs, we are asking for a \$5 donation. Any money that is left over after our expenses have been met will be used to continue saving to have our hand bells refurbished. On the last day of school before the Easter break, the crosses will be given to you as a keepsake. Once Lent is over, we will continue the Memorial Program and continue to place names in our permanent Memorial Book.

Feel free to duplicate the form, pick up more in the office, download from the RCS website, and if it can be done, from the school Facebook page. You may order as many as you would like. We will place the names and petitions in the Memorial Book and inscribe the crosses as we get the order forms for them. We pray that you and your family have a blessed and holy Lenten season.
