Happy Easter!! I hope all of you had a restful Easter break. We are in the most crucial time for our school year. It is the last nine weeks of school, testing begins next week and students are looking forward to summer vacation. Please make sure that you are in contact with your child's teacher about any work that is missed if they are absent. Check RenWeb for their grades and missing work. Make sure that you are reminding your children that this is a very important time in the school year, to not give up and always do their best. If a student makes an F in any subject for the last nine weeks, they fail that subject for the year. (Handbook-page 30)

We have a lot of activities that are coming up over the next couple of months. Please check the memo and calendar that are sent home, as well as the upcoming events on the back of the memo and online. We don't want you to miss any important events for your child. If you are not sure of something, please feel free to contact the school with any questions. Thank you again to everyone who has entrusted your children to us. May God richly bless you and your family.

In Christ's Peace,
Cindy Habetz, Principal
