

Redemptorist Catholic School will join nearly 8,000 Catholic Schools across the nation in celebrating Catholic Schools Week, January 28th – February 1st, 2019.

Please join us for our Catholic Schools Week Rally: Friday, February 1, 2019 at 1:30 in the gym.

Monday – Celebrating Our Community

A Central aspect of Catholic education is learning the importance of service to others. When students take part in service activities- both local and beyond- they demonstrate the values and faith they gain through their Catholic education and learn how to make the world a better place. When they observe how others serve the community, they gain an appreciation for how they can continue to serve others their entire lives. **Our school will participate in the Caps for Kids campaign. Students are asked to bring a NEW cap to donate for children who are currently undergoing chemotherapy. Those students who bring a new cap for the donation drive will be allowed to wear a cap to school to raise awareness for this charity.**

Tuesday – Celebrating Our Students

Schools celebrate students during National Catholic Schools Week by planning enjoyable and meaningful activities for them and recognizing their accomplishments. They encourage students to reflect on the benefits of Catholic education and how the grounding in faith, knowledge and service it provides will help them throughout their lives. **Because our students are part of our amazing educational team, they will be allowed to wear a team jersey/t-shirt to school.**

Wednesday – Celebrating the Nation

On National Appreciation Day for Catholic Schools, students, families, educators and other Catholic school supporters communicate the value of Catholic education to government leaders. They share information with leaders on the significant contributions Catholic schools make to the nation and their role in preparing students to be good citizens. They pray for the nation and recognize all those who serve it. **Students will be allowed to wear anything patriotic and will write letters to veterans.**

Thursday – Celebrating Vocations

By focusing on faith, knowledge and service, Catholic schools prepare children to use their God-given talents to the fullest later in life. National Catholic schools Week offers an opportunity for students to explore the many life paths that enable them to use their talents well in the service of God and others – by answering the call to a religious and/or by pursuing a career that makes the world a better place. **Students will be allowed to wear any career outfit or jean day for \$1.**

Friday – Celebrating Faculty, Staff and Volunteers

Teachers are the backbone of Catholic Schools. On this day, schools honor teachers, as well as administrators and staff who support teachers in their important work and thank the parents, grandparents, alumni, parishioners and school board members who provide volunteer service.

Mass day so students must wear their church uniform. Students will be allowed to wear sunglasses because our faculty, staff and volunteers are the superstars of our school and they are a shining example for us all.
